Katy + Sis take a trip

By WOGGON

THIS STORY WRITTEN + ILLUSTRATED BY HARRIETT DUFF +
MARTHA FARLOW, 309 E. BUCHANAN, WINTERSET, IOWA.

While K.T. and SIS were on a vacation they visited yellow and other wild animals and fed them lots of bread + candy. They saw many, many other things! SIS said, "Could you and I go to a real park and spend the night?" K.T. said, "Sure," and SIS went up and down with glee! The next day they went to many and many hot springs which yellow park is famous for. As they started off in the morning, K.T. asked, "How long will it be 'til we get home, K.T.?" SIS asked, "You?" K.T. got into the car and turned the engine off in the morning. SIS shrieked and said, "Oh-h-h-h No-o-o-o-o"
